

CERTIFIED TRAINING COURSE

12
CE CREDITS

WHO SHOULD ATTEND

New or existing Waterlase dentists who are looking to increase patient retention and attract new patients by offering more gentle dentistry. The perfect learning experience for those looking to learn new techniques to make their laser investment more fun & profitable for the entire team.

COURSE OBJECTIVES

This two-day, live course is designed to provide a comprehensive overview of laser-assisted dentistry, with the goal of providing the core concepts needed to integrate an all-tissue laser into your practice for success from day one.

Curriculum will include emphasis on the basics of laser physics, laser energy and safety, practice implantation and core laser procedures including:

- ✦ Homeostasis Reduction of Bleeding & Soft Tissue Biopsy
- ✦ Class I & V Cavity Preparations
- ✦ Procedures to manage periodontitis and perio-implantitis
- ✦ Gingivectomy/Gingival Recontouring
- ✦ Frenectomy/CSF
- ✦ Osseous Crown Lengthening
- ✦ Endo Decontamination
